Re: Detroit District Area Local Constitution

TO ALL MEMBERS

The APWU Detroit District Area Local Constitution Committee has begun meeting today. The task of this Committee is to consider revisions and updating of the Local Constitution. The present DDAL Constitution has been in effect since 2005, a Local Constitution Committee met in 2012 and recommended substantial revisions and cosmetic changes to the Constitution, but no action was taken on the recommendations.

All members who would like to offer suggested changes to the Constitution should do so in writing and address them to the Local Union Hall at the address above. If possible, identify the particular Article(s) and Section(s) which you believe should be changed. If you cannot provide the explicit language of your proposed change, you may explain the nature of the change in general terms so that the Committee can understand your intent.

Those wishing to address the Committee may do so **by appointment**. If you wish to address the Committee please call the Union Hall and a Committee member will contact you back with an appointment date/time.

All submitted suggestions, whether submitted in writing or in person by appointment, will be given due consideration by the Local Constitution Committee.

In Union Solidarity,

Keith M. Combs, Sr.
President
