April 1, 2024

The Detroit District Area Local
will be having a CPR training class.
Friday, April 26, 2024, at 11 AM
at 20530 Southfield Road
Detroit, MI 48235

The Importance of basic life support and the benefits of early CPR/AED

- Immediate CPR can double or triple the victim's chance of survival from cardiac arrest.
- Early delivery of shock with a defibrillator plus CPR within 3 – 5 minutes of collapse can produce a survival rate as high as 48% to 75%.
The rate is \$55.00 per person and the certification is good for 2 years (Employees are Certified Same Day).

This will be on a first come first served basis for 15 people.

Any questions, please contact President Keith Combs at (313)532-9305.

Training will also include a defibrillator.

In Solidarity:

A handwritten signature in black ink that reads 'Keith M. Combs Sr.' The signature is written in a cursive, flowing style.
